

How to be a CULTURALLY INTELLIGENT SIMPLE SUPERSTAR

What is it?

At Wilbur's interactive school performances he will be using music, dance, videos and motivational stories to inspire students to become culturally intelligent 'Simple Superstars' who are passionate about building bridges across cultural differences. His presentation will include a designated time for Q&A with students, which can be moderated by a staff member.

Why?

To inspire students to see the relevance of cultural intelligence and how this can be used to make an impact in their current local community and around the world. Provide a brief introduction to Cultural Intelligence and what it means to be a Simple Superstar.

Cultural Intelligence (CQ)

Is a person's capability to function effectively in situations characterized by cultural diversity.
