September 12, 2024

Dear Saskatchewan Music Educators Association,

On behalf of the City of Regina, I want to extend my congratulations to you as we celebrate the 3rd annual Saskatchewan Music Education Day – recognizing the importance of music in schools and the positive impact it has on students.

Music education helps youth develop skills that they will carry with them throughout their lives. It sparks creativity, teaches the importance of practice and persistence, and builds relationships – all of which are essential for personal and academic growth. It also allows students to connect with their cultural backgrounds and gain a better understanding of the diverse communities they live in.

It is inspiring to see the dedication and passion that music educators bring to their profession, encouraging students to explore their interests and express themselves through music.

Thank you for your ongoing advocacy and commitment to music education. Your work continues to shape the lives of young people and enriches the cultural landscape of our province.

Happy Saskatchewan Music Education Day!

Sincerely,

Sandra Masters
Mayor of Regina
